A Vaiuable Medical Treatise.

The edition for 1883 of the sterling Medical Annaal, known as Hostetter's Almanac, is now ready, and may be obtained, free of cost, of druggist and governleountry dealers in all parts of the United States, Mexico and indeed in every civilized portion of the Western Hemisphere. This Almanac has been issued regularly at the commencement of every year for over one-lifth of a century. It combines, with the soundest practical advice for the preservation and restoration of health, a large amount of interesting and amusing light reseling, and the calcadar, astronomical calculations, chronological litems &c., are prepared with great care, and will be found entirely accurate. The issue of Hostetter's Almanne for 1886 will probably be the largest edition of a residual work ever published in any country. The proprietors, Messers, Hostetter & Co., Pittsburgh, Pa., on recoipt of a two cent stanty, will forward a copy by mail to any person who cannot procure one in his neighborhood.
